

### 'Iriseoirí an lae Amáraigh'

Bhí deis iontach ag daltaí na hidirbhliana tabhairt faoi mhodúl iriseoireachta ar líne le déanaí. Bhí an cúrsa, 'Iriseoirí an lae amárach', á mhúineadh ag plúr na n-iriseoirí teilifíse, raidió agus digití in Éirinn.

Thug an cúrsa léargas do scoláirí ar ról agus ar obair na meán. B'fhéidir go spreagfaidh sé cuid acu tabhairt faoi ghairmeacha sna meáin amach anseo. Reáchtáil Ollscoil na Gaillimhe, Nuacht RTÉ, agus TG4 an cúrsa.

### 'Journalists of Tomorrow'

Transition year students had a great opportunity to undertake an online journalism module recently. The course, 'Journalists of tomorrow', was taught by the best TV, radio and digital journalists in Ireland.

The course gave students an insight into the role and work of the media. It may inspire some of them to pursue careers in the media in the future. The course was run by the University of Galway, Nuacht RTÉ, and TG4.
