

Irish language organisations are often looking for employees in various fields. Vacancies are usually advertised on Peig.ie and on Tuairisc.ie. There is great variety in the work that these organisations undertake and in the roles for which they advertise – no two jobs are the same. These are some of the organisations:

## Údarás na Gaeltachta

"I began a scholarship with Údarás na Gaeltachta just after getting my degree from Fiontar & Scoil na Gaeilge in 2021. I moved to Galway and I worked in the office of the Chief Executive in the head office in Na Forbacha. I now work as a Communications Coordinator in the Údarás. There is a lot of variety in my work and no two days are the same. I am delighted that I took the opportunity to work for the Gaeltacht community and I love the work so much."

– Aisling Ní Uigín, Údarás na Gaeltachta
